2009 LPPD Classes & Workshops

Poppets- By MATRIX

Do you know the history and use of poppets? We will teach how to make corn dolls (poppets) for your Imbolc altar (and you will take a doll home). Teach why and how the corn doll is used for Imbolc. You will also make a different type of poppet for magical use and information on other forms. Cost \$5.00 for materials Limit 20

Candle Dressing- By MATRIX

How do you dress a candle? What type of oil do you use? Learn how to dress a candle and mix a small vial of oil to take home. Also take home some herbs that you can add to your candle dressing. Cost \$5.00. Limit 20 people.

Wand Making- By MATRIX

Have you always desired your own individual wand and not a commercial one? Learn how to make a wand for your own use and bless it afterwards. Learn about gathering wood for your wand and what different woods mean. A simple wand kit will be provided to you in class. Cost \$5.00 Limit 20 people.

Gemstone Wrapping- By MATRIX

Would you like to wrap your own gemstone or pendulum? Learn how to accomplish a simple wrap and about the different materials used for wrapping. Why do you use copper, gold, or silver? Meanings of basic stones that are used. Make a pendulum or a pendant in class. Cost \$5.00 . Limit 20 people

Poi spinning- By Jessica

To invite others to spin Poi and learn more about the history of this great art
